JAVEA**
INMOBILIARIA

**HEMOCARE
SERVICE**

Have you considered the advantages of having a trustworthy company take care of your property?

If your property is unoccupied during part of the year, it is very important that you have a maintenance service with regular inspections. We will send you a report regularly, avoiding all the worries that home care entails.

OVER 20 YEARS SELLING HOUSES IN JAVEA

SERVICES

What services do we offer ?

- Care of keys. Our office is open 6 days a week and Sundays under reservation.

- A complete house check every 2 weeks, to air, check the water, lights, blinds, drains and whatever needs checking on.

- An immediate visit in case of storms or drastic weather changes.

- Management of cleaning service.

- Collection of correspondence.

- Alarm Control.

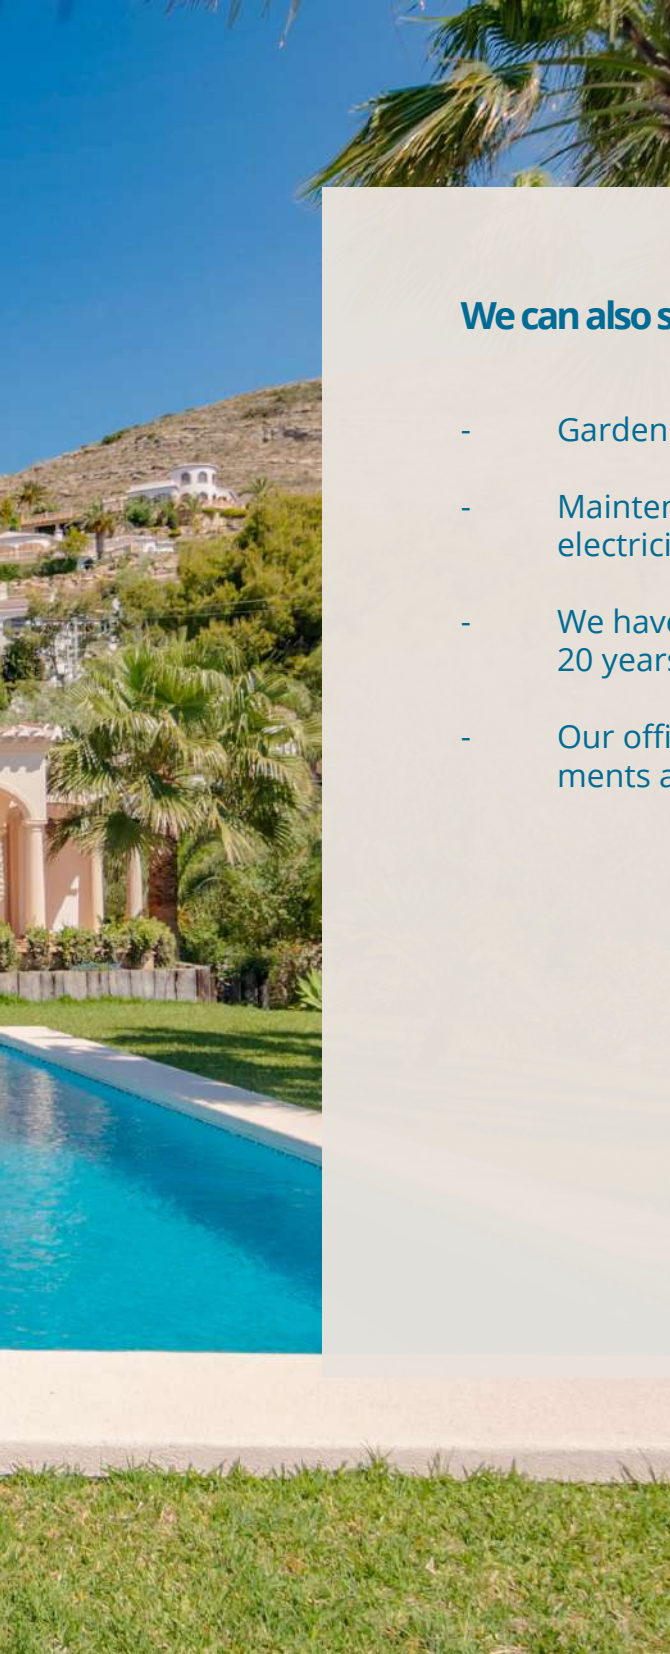

- Manage your invoices: Electric Company, Telephone Company, Water Company, Town hall taxes, etc.

Our office is open to help you with all these procedures which are sometimes so unpleasant.

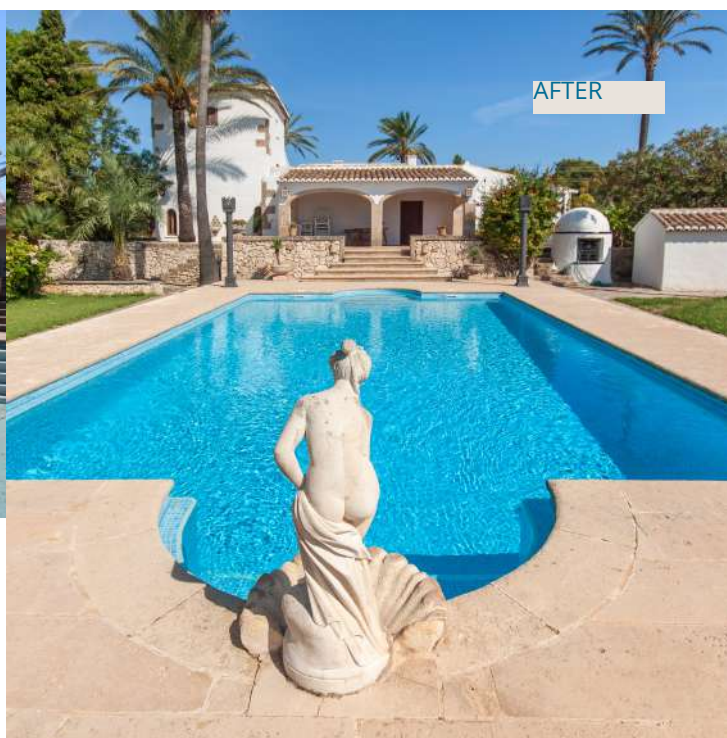

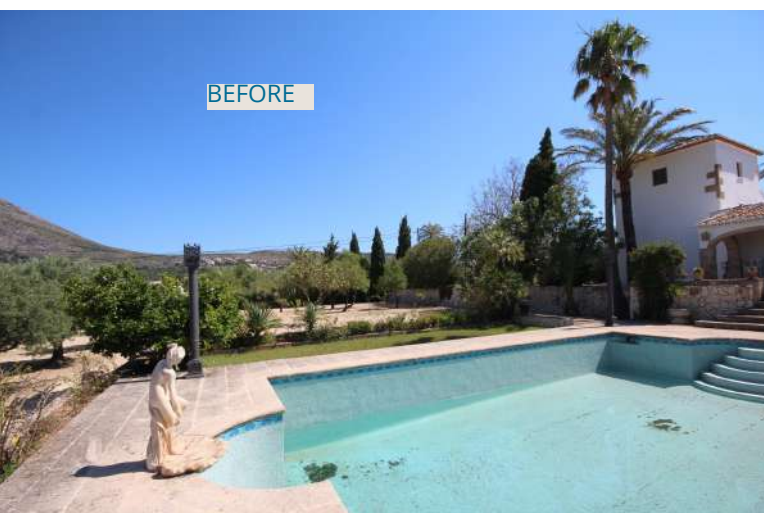

- Mail, correspondence, parcels.

We can also sort out your:

- Garden and pool maintenance management.
- Maintenance of housing facilities: Plumbing, Heating, electricity, etc.
- We have carried out all kinds of reforms for more than 20 years.
- Our office is open to leave your packages or shipments and we take them to your home.

*Consult our prices for your complete peace of mind that your home is cared by a company with experience, confidence and professional.
